

Hexcoat™

pacron

CURB

100% CURBSIDE RECYCLABLE MAILER

FEATURES

- ✓ Hexcoat is 100% curbside recyclable, making it an eco-friendly alternative to traditional bubble mailers!
- ✓ Each mailer is assembled of 3 layers of paper
- ✓ Mailer's interior padded hexagonal honeycomb with globally patent honeycomb paper to give your packages an extra layer of security against bumps, drops, and weather-related issues.
- ✓ Patented globally, this revolutionary product has the highest performance protecting your items during shipping and at the same time helping the environment.
- ✓ Tight self-seal provides a secure and tamper evident seal for all your shipping needs.

Product	Size	Usable Space	Mailers/Case	Case/Pallet	Case Size	Pallet Size	Box Weight	Pallet Weight
HC0	6 x 10	6.5 x 9.25	250	36	22x18x16.25	54x45x103	15lbs.	600lbs.
